

AIR CONDITIONING LOAD MANAGEMENT AGREEMENT

The undersigned is eligible for the benefits of the Load Management central air conditioning program under the following terms, conditions and regulations:

- Must be an active member in good standing, receiving electric service on standard residential, farm or small commercial rate from Oconto Electric Cooperative. Only members, who own the property where the central air conditioning unit is installed, may request to participate in the program.
- An OEC technician will install the LMR. If LMR installation is not possible with current state of A/C installation, OEC will advise member. If A/C installation can be brought into specifications required by OEC, OEC will advise member of any associated charges.
- Please indicate if unit is: _____AC only _____Air Source Heat Pump (heating and cooling).
- The member will receive an \$8 credit on their electric bill for June, July, August and September consumption. Consumption must reach 400 kilowatt-hours per month to receive the \$8 credit.
- The LMR remains the property of OEC. It shall be installed with a protective seal that shall not be removed without the full knowledge of OEC. If a seal is broken for any reason by anyone (including service personnel), the member must notify OEC immediately.
- OEC reserves the right to periodically inspect the LMR to assure proper operation and to check for evidence of tampering. If evidence is found that indicates tampering of any sort with the LMR installation, the member will be immediately disqualified from the program and available credits.
- OEC reserves the right to change or alter the content of the Central A/C Load Control program at any time.
- OEC may discontinue the Load Management program if deemed feasible to do so.
- In the event OEC eliminates the Central A/C Load Control program, the monthly credits will cease upon notification of the discontinuation of the program.

The undersigned hereby agrees to conform to the above terms, conditions and regulations.
