

DOES OEC HAVE MONEY FOR YOU?

Once a year, Oconto Electric publishes the names of members, past and present, who have outstanding capital credit checks. Maybe these checks were misplaced or lost in the mail, but for whatever reason they were not cashed. Now these checks are outdated and cannot be cashed. OEC will issue checks issued in 2012 and 2015. We have included the outstanding 2011 capital credit checks because any of these checks that are not reissued this year will be transferred into our educational fund and used for youth scholarships. This is the last opportunity for people to claim this money.

If you find your name listed here please contact OEC at 1-800-472-8410. If you know someone on this list, please have them contact us.

There are no hidden numbers this month.
