

## DO WE HAVE MONEY FOR YOU?

Once a year, Oconto Electric publishes the names of members, past and present, who have outstanding capital credit checks. Maybe these checks were misplaced or lost in the mail, but for whatever reason they were not cashed. Now these checks are outdated and cannot be cashed. Names shown are from checks originally issued in 2015 and 2018. We have included the outstanding 2015 capital credit checks because any of these checks that are not reissued this year will be transferred into our educational fund and used for youth scholarships. This is the last opportunity for people to claim this money.

If you find your name listed here please contact OEC at 1-800-472-8410. If you know someone on this list, please have them contact us.
