

Attention Members:

We recognize this is an unsettling time, as the coronavirus (COVID-19) situation is rapidly evolving around the globe and the markets have been incredibly volatile. We are closely monitoring developments related to the spread of the virus, and our priority remains the safety of our employees and members.

Oconto Electric Cooperative (OEC) is committed to supporting your needs during these uncertain times, and always.

Currently we remain fully operational, and are taking every necessary step to continue to provide the service you rely on, with a minimal level of disruption as events unfold.

During times like this, we would like to remind members that OEC has several bill payment options such as online bill paying, phone-in payments, our night depository located outside our main office, as well as utilizing the U.S. Postal Service to mail in your bill payments.

We would also ask that if you are ill or have recently traveled to a high-risk area to please utilize one of the above payment options.

At OEC and our RadioShack/Cellcom store, we have taken preventive measures to stay resilient.

We are monitoring business & personal travel from high-risk countries, encouraging virtual meetings, re-evaluating our guidelines around large events, and doing all we can to keep our employees informed of COVID-19 developments. Our thoughts go out to anyone who may be affected by the coronavirus 19.

We will continue to monitor developments in this global health crisis and evaluate the COVID-19 situation by taking guidance from public health authorities and taking any necessary action as recommended.

Take care,
